The true strength of this platform lies in its comprehensive marketing suite, which empowers KOLs to gather their own data and engage their audience using various tools. These include social media utilities, email marketing, e-commerce features, messenger integrations, and more.

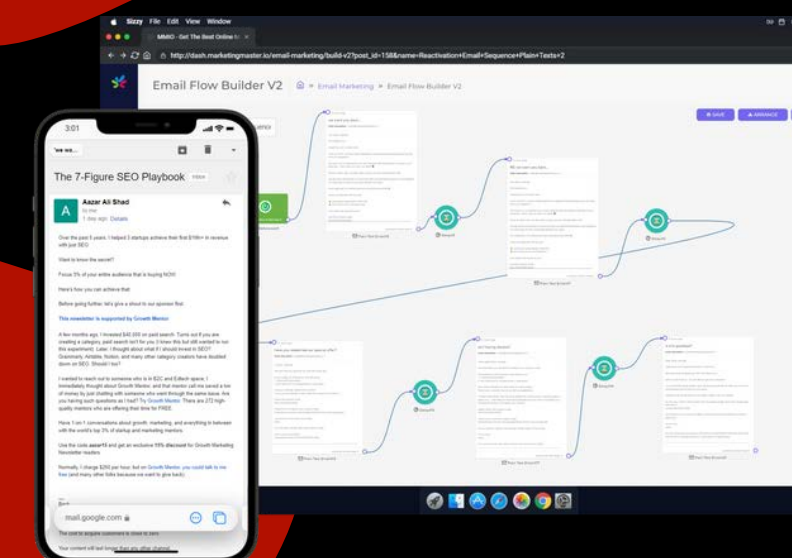

Build chatbots for Messenger, Instagram, WhatsApp and Google Messages

FB Livestream Selling Automation

Send SMS and Email broadcasts or drip campaigns

KOL PORTAL PLATFORM

Leverage our AI-powered KOL platform to find perfect influencers for your business. The platform enriches user experience by assisting KOLs in crafting profiles and defining services while helping clients identify the most suitable influencers for their projects.

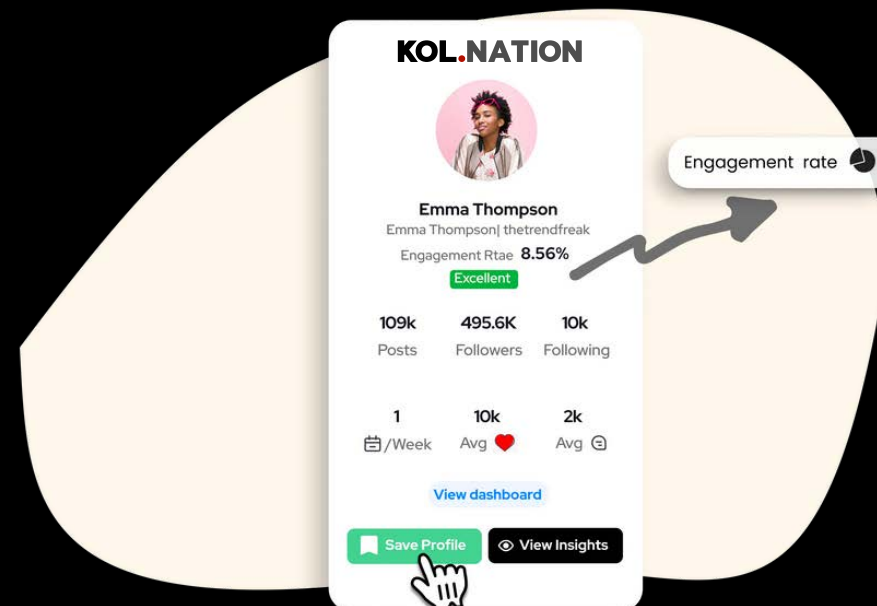

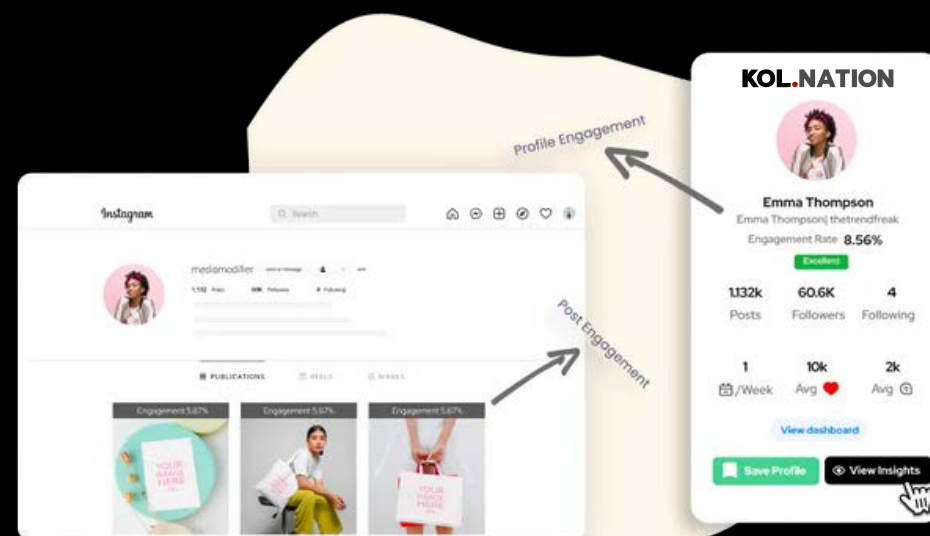

Advanced Search Filters: Find influencers based on niche, location, follower count, and engagement rate.

Influencer Analytics: Access detailed performance metrics of potential influencer partners.

Influencer Discovery Tools: AI-powered tools suggest suitable micro-influencers for your brand.

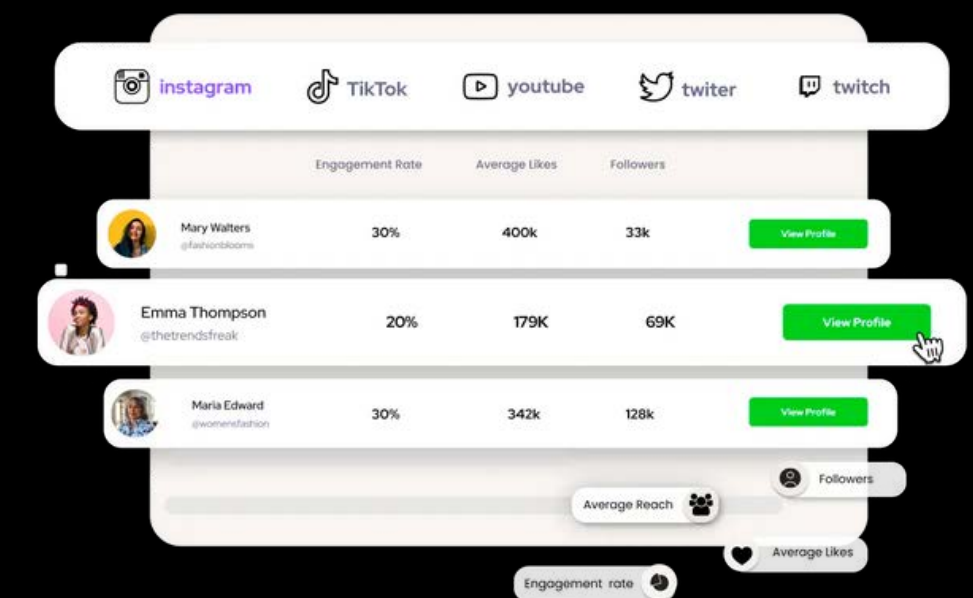

Influencer Compliance: Ensure influencers comply with FTC guidelines for sponsored content.

Post-Campaign Reporting: Receive comprehensive reports to understand campaign ROI and inform future decisions.

Campaign Management: Manage communication, track content, and measure campaign success from a single dashboard.

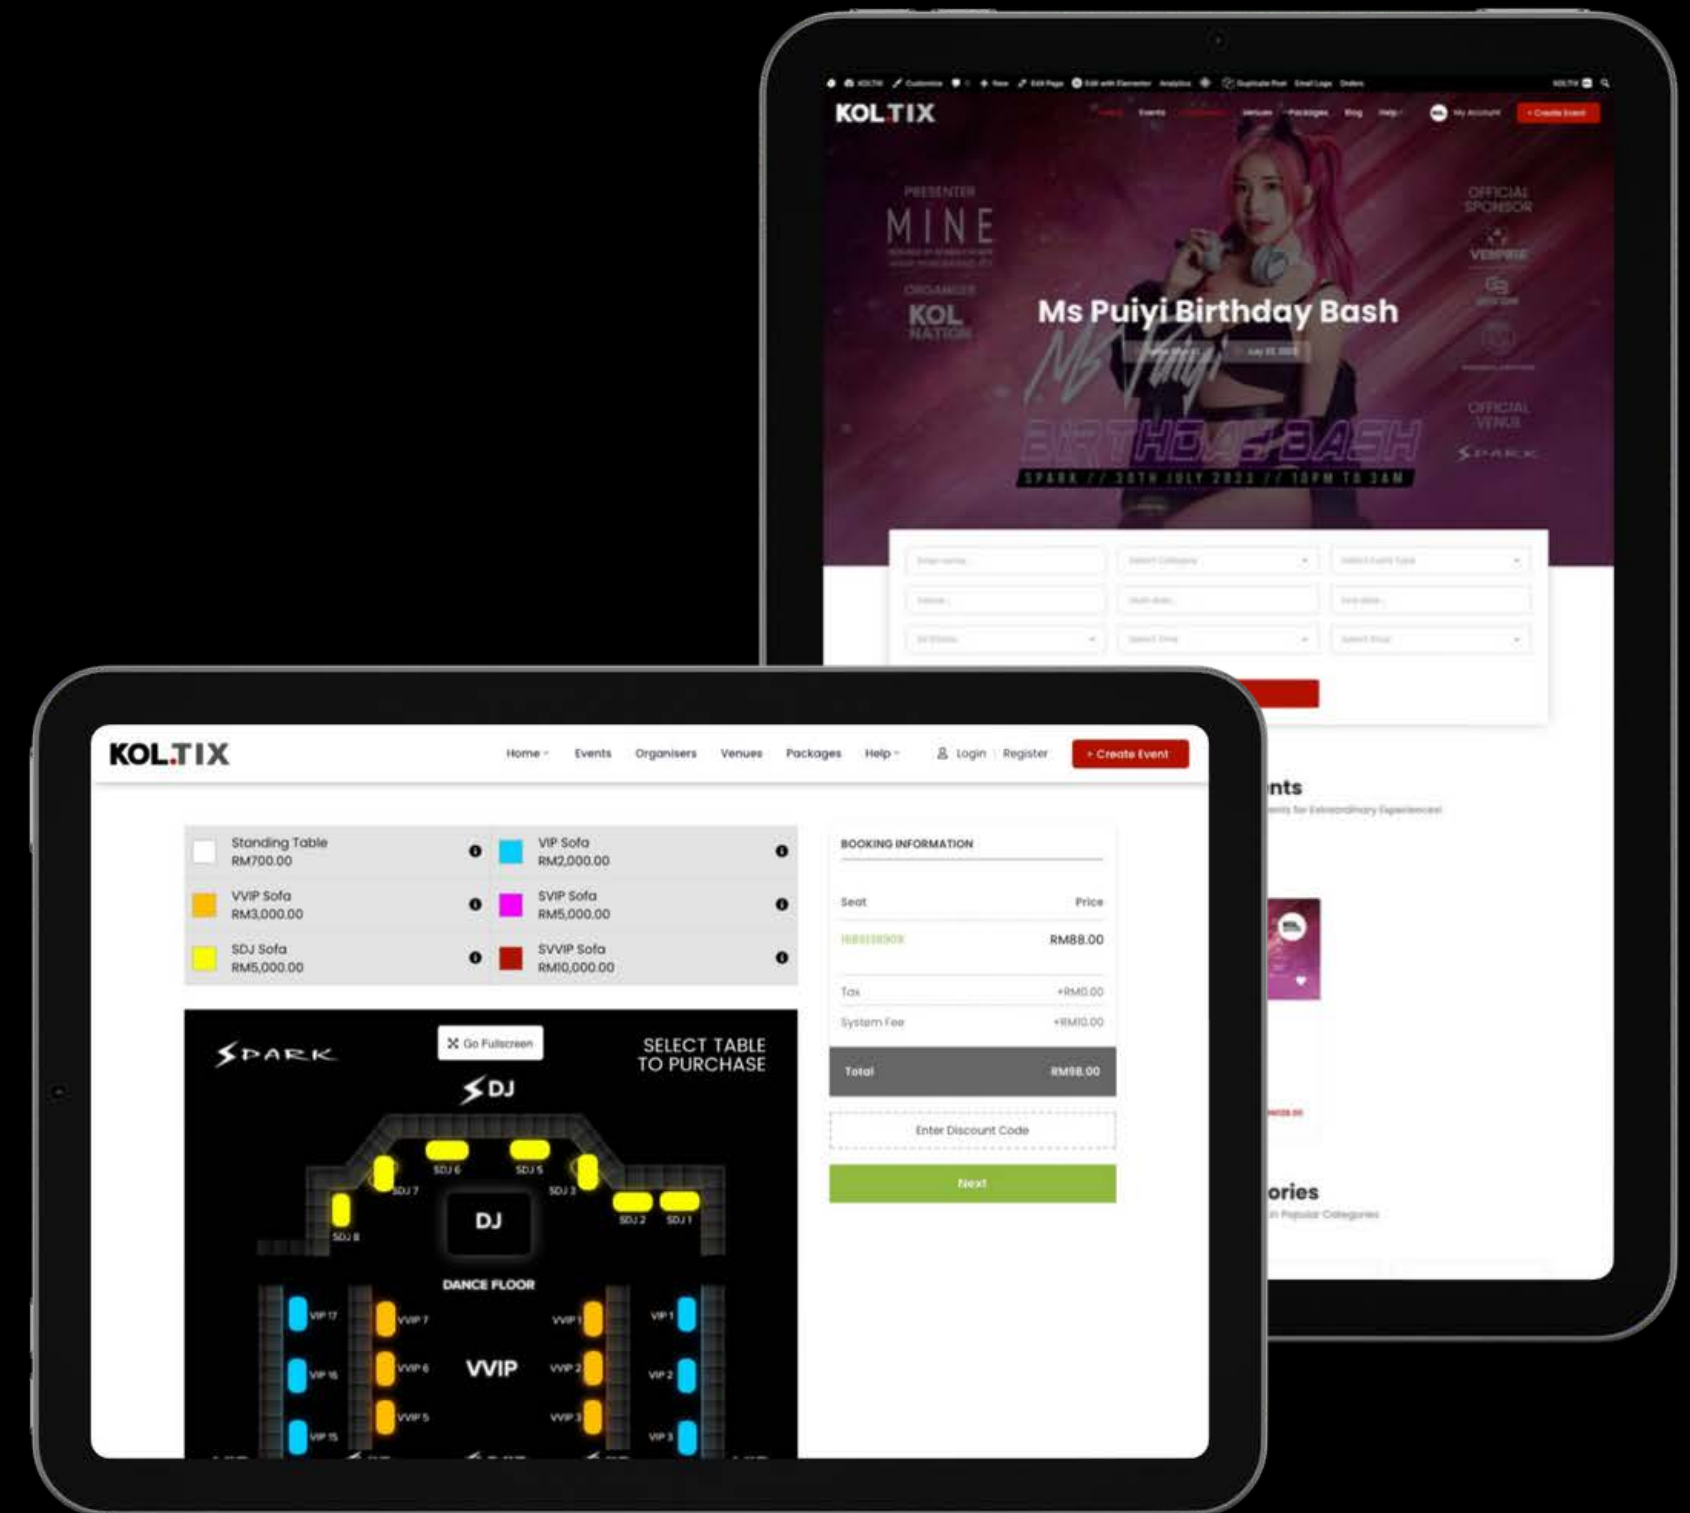

Competitor Analysis: Gain insights by observing the influencers your competitors are working with.

KOL EVENTS PLATFORM

Our event and ticketing platform utilizes AI technology to personalize user experience by recommending events based on individual preferences. It also assists event hosts in creating captivating event descriptions and designs with the help of an AI copywriter and design software.

Our platform enhances the user experience by incorporating paperless QR code ticketing technology. Additionally, it introduces a social aspect, allowing users to interact and discuss events within the app.

TRUSTED PARTNERS: OUR IMPRESSIVE CLIENT PORTFOLIO

Our extensive client portfolio showcases the trust and successful partnerships we have established with a diverse range of clients.
